FOREWORD

The years have come and gone since we began
To draw an outline, formulate a plan.
With gentle strokes, our efforts first applied
Told of a future greatness still inside.
And as we worked, progressing every year,
Our picture took on meaning and grew clear.
With studies and activities to shade,
Experience and friendships fuller made
Our work of art, and adding deeper hues,
Perfection came in learning how to use
The talents given us by God above.
The highlights shone from teachers' patient love.
Our struggle over, proudly we survey
The finished memoir of each high school day,
The laughs and tears we shared as time went by,
A sketch of our four years at Norwood High.

Another year arrives, our sketch begins

"Miss Carol Van Antwerp from homeroom 313 modeling . . ."

September, October, November

Sketches of Norwood High School begin with the opening of school in September. At this time students begin to prepare for the year ahead of them by settling down to work.

The football games give an air of excitement to the student body. Everyone anxiously awaits the Homecoming game to see the lucky Queen crowned. The new concession stand was put into operation for the first time this year to serve the football fans.

The girls pull out their winter clothes for the annual Red Flannels Day. Girls Council presents a style show in which various girls model their winter clothing.

Open wide! With this little expression, the Sabin vaccine was given to the Norwood High School students.

Another sale in the new concession stand.

"The homecoming queen for 1961 is Miss Christine Parks!"

"Taste good, Jenni?"

"We want Nixon!" "We want Kennedy!" "We want Green!"

Winter holidays and

" 'Twas the birthday of a King!"

"Oops!"

"Come ye thankful people come"

activities add color to our sketch

"Teddy!"

November, December, January

Vote for Kennedy!

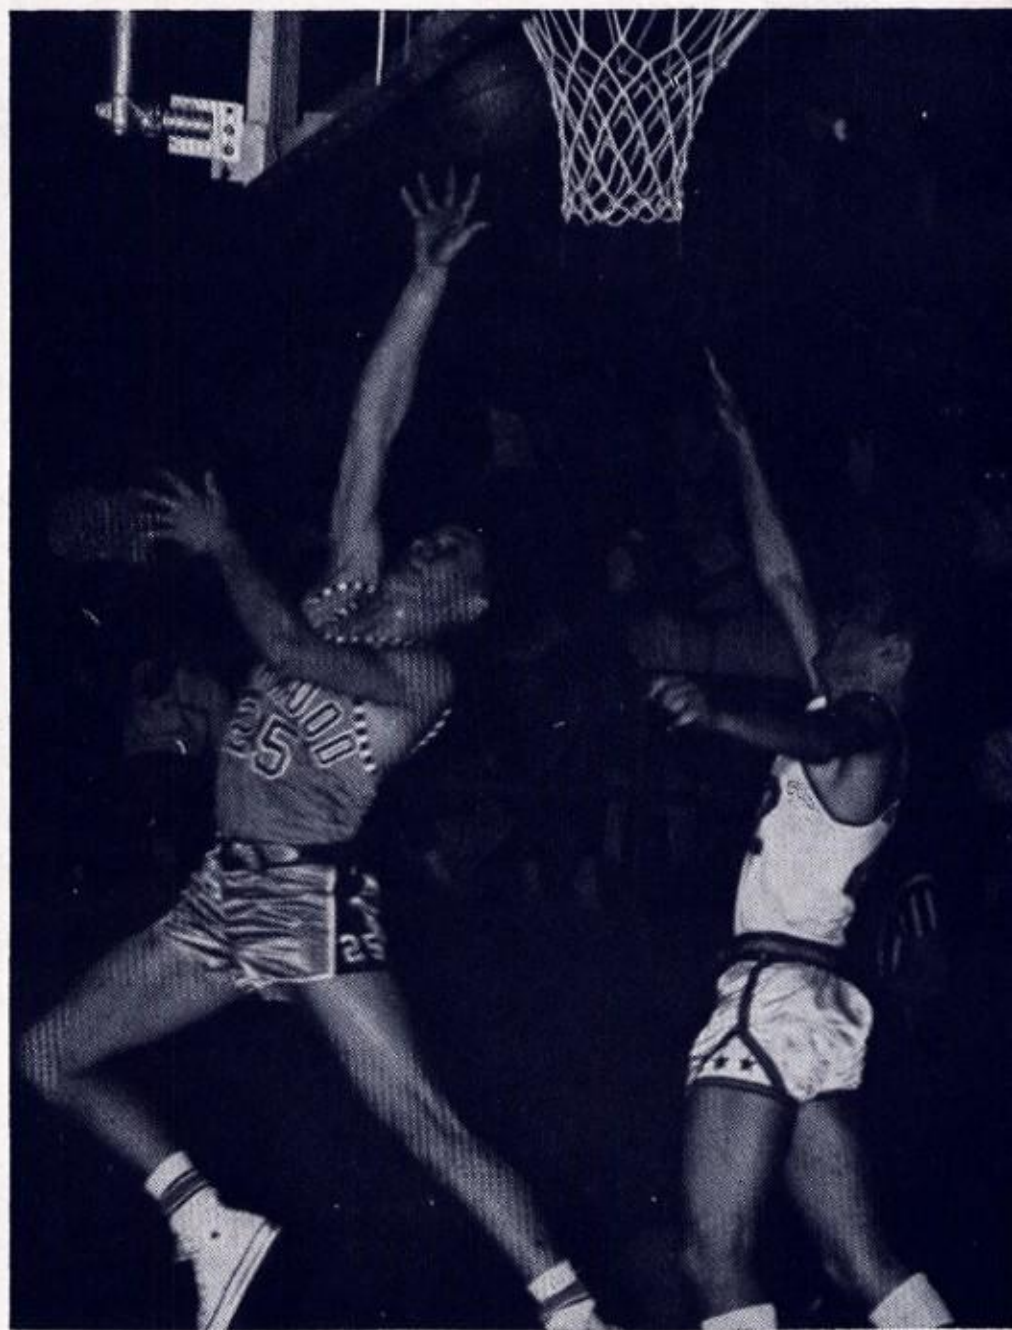

Vote for Nixon!

These cries could be heard throughout the halls of Norwood High this year. This is the first time the students have had a mock election. The arrangements were made by the American History classes and directed by Mr. Littman and Mr. Norcross.

"For unto you is born this day in the city of David a Saviour, which is Christ the Lord." The annual Christmas program, sponsored by Morning Watch, was centered around this theme.

These experiences gained through the months have given Norwood High School students the opportunity to add a few more lines to their sketch.

"Ballet anyone?"

"Noel Noel"

"Our team . . ."

February, March, April

Posture ribbons! Wrestling tournaments! Spring formals! Marching bands!

Girls' Week arrived with hustling and bustling. Senior girls were starred in the Senior Showcase, and the junior girls flashed in the Junior Follies. The girls were excited when they gave their performance to their parents and friends. Outstanding boys received their honors at the special assembly for the close of Boys' Week.

Colds and certain instruments are problems for the music department during the season of the Spring Concert and Band Concert.

What else? The Drama Class Play and the Junior Prom will always be small sketches of the lives of the students and faculty.

Ending year puts

May, June

Two more months to go, kids!

The Washington trip came and went with piles of juniors and seniors awaiting their chance to be away from school life for a few days and enter into the life of adventure. That's exactly what some students did; others had pillow fights; and still others got homesick.

The Honors Assembly was something new to the frosh, but it's old and still tender to the seniors.

A long-awaited subject that most seniors yearn for is the Senior Freeze. They could finally study for those inevitable exams.

Then, graduation—a night no senior could forget in his sketches of memories at Norwood High—a night when all his fun and excitement will flash back, but only as a fulfillment of his goal.

Administration

MR. CARL ALBRECHT

Board of Education

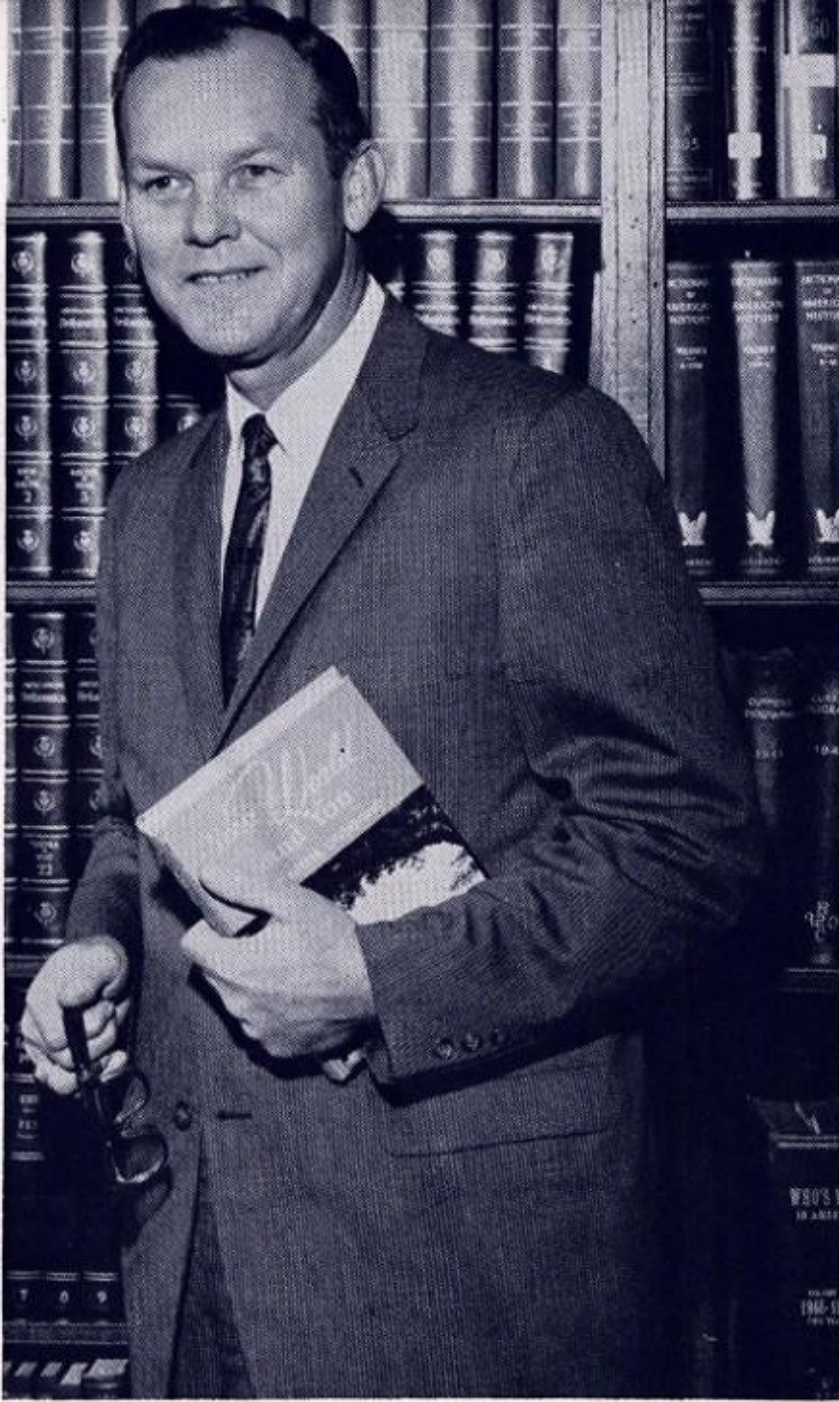

Maintaining Norwood High's top scholastic record among schools is the job of the Board of Education. The members, who are elected by the citizens of the city, are active in determining the policy of all Norwood schools.

A highly qualified faculty is chosen by the Board of Education, providing able and enthusiastic teachers. The many improvements, such as our new concession stand and athletic field entrance, are brought about because of the efforts of the Board.

To these hard-working members we give our gratitude.

Mr. Harold Funk, Mr. G. Charles Vogel, Mr. David Ramage, Mr. Charles Evans, Mr. Carl Albrecht, Mr. Paul Sullivan, Mr. Paul Leary.

MR. ALBERT GESELBRACHT
Principal

Administration

Mr. Albert Geselbracht, principal; Mr. Elton Kistler, assistant principal; Mr. William Pace, dean of boys; and Miss Charlotte Kehm, dean of girls, work together to make our high school years happy and successful.

Mr. Geselbracht leads our administration. He can be found at various school activities helping to make them a success.

Mr. Kistler heads the Technical School, managing the activities and courses of the vocational students.

Miss Kehm and Mr. Pace are the very busy deans. They try to solve any problems students may have.

—Four years completed at the Alma Mater; four years to remember for the rest of our lives—

Fun—We had laughs, thrills, and even joyful tears. As freshmen and sophomores we were accepted as the lower classmen, but that began our growth in the small community.

Work—Most of us will say that our sophomore year was our year for the most work, the greatest task in reaching our individual goals. Our Sophomore Dance was the biggest event for us. Let's see. Who got "Best-All-Around-Sophomores"?

Cooperation—In our junior year big things began

to boom. The Junior Prom, the Junior Follies, and Boys' Weeks stand out in our minds. What cooperation we received when finally we began working as a unit, rather than as individuals!

A goal—Now as seniors we say we have been kept busy by the faculty and by extracurricular activities. The senior class officers, the boat ride, graduation, the Washington trip, the Senior Showcase, the Spring Concert, and the Band Concert—all these enjoyments kept our minds working.

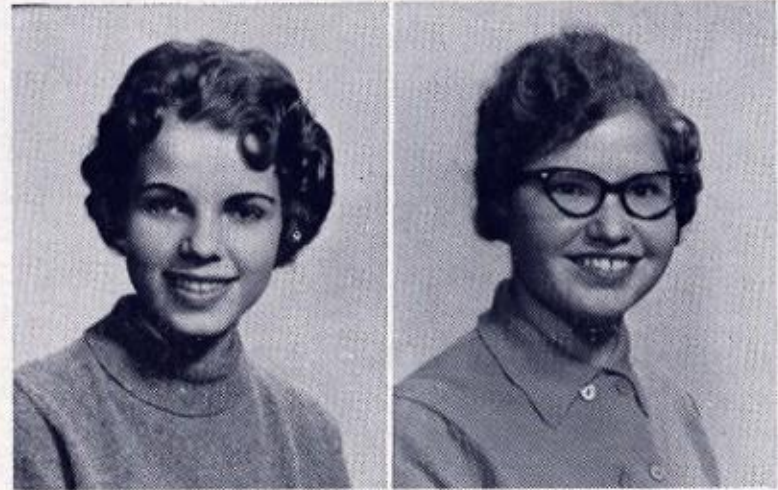

Now we are ready to leave. We can say our sketch, as seniors, is complete.

Underclassmen

Juniors

Various activities surround the juniors when school begins—the Junior Prom, class ring, the Washington trip, the Junior Follies, and St. Patrick's day shamrocks. Of course, the juniors have school work to do too. Their term papers are due this year!

D. Childers, Treasurer; P. Royalty, Vice-President; P. Sowders, Secretary; C. Tubbs, President.

Sophomores

"O.K., gang, let's settle down and get to work!" With these words from Mr. Tieman, class advisor, the sophomores begin to put their ingenuity to work in planning their annual dance. The climax is the crowning of the "Best-All-Around-Sophomores."

B. Briggeman, Treasurer; J. Key, Secretary; J. Fischer, Vice-President; T. Hatfield, President.

Freshmen

"I'm frightened! How about you?" This is the general reaction of the freshmen as they begin their high school experience. It isn't long, though, before they begin to feel at home and start to participate in the various activities of the school.

Activities

Student Council

OFFICERS

JEFF SITTASON President
 CLARK EADS Vice-President
 MERRY BAKER Secretary
 SANDY WOESTE Treasurer

Student Council is the governing body of the school. It is made up of the officers and representatives of each class and representatives from each homeroom.

Student Council is responsible for the homecoming ceremony and decorating the homecoming float. At Christmas time Student Council fills baskets for the needy families in Norwood. They also decorate the halls and trim the trees. An all-school Christmas party is held by Student Council.

This year Student Council introduced a new activity—Twirp Week. During Twirp Week the girls assume all the courtesies that are normally extended to them by the boys.

Determining the customs of the school and setting the school policy is Student Council's main function and keeps it busy throughout the year.

Girl's Council

Girls' Council, with Miss Kehm as its advisor, is a very important organization at Norwood High School.

Each year this group of girls plans its various sponsored activities. Girls' Council prepares and presents the two style shows given annually—Red Flannels Day in the fall, and Cotton Day in the spring.

In November, Thanksgiving tray favors are made by each girls' homeroom. Baskets are filled with canned goods and given to needy families in Norwood. These baskets are prepared by the Council.

The Girls' Week activities are also sponsored by our ever-busy Girls' Council members. Girl's Week is long awaited by all the girls at Norwood High, for during this time they enjoy many exciting activities such as competing for prizes for skits and table decorations.

National Honor Society is composed of students in the upper 15 per cent of their class. Each student is chosen for four qualities—leadership, scholarship, service, and character. The teachers decide whether or not a student is eligible for such an honor.

Every year at the Honor Society Assembly the junior and senior students chosen are inducted in a very solemn and formal ceremony.

A student in National Honor Society is assured a good recommendation for his future years—whether these years be in college or in other jobs.

Some duties of the Honor Society members are: selling pencils and book covers, averaging grades of each homeroom for pennants, and setting good examples for the students who will follow in the coming years.

Morning Watch

Morning Watch, a non-denominational organization at Norwood High, holds its meetings at 7:50 every Tuesday and Thursday morning in the chapel. These meetings give the members of the student body an opportunity to start their day off with a few minutes of worship.

In September, Morning Watch held a potluck supper to stimulate interest in the organization and to give the members a chance to get better acquainted.

The Thanksgiving and Christmas assemblies are the responsibilities of Morning Watch. Different members are chosen to participate in them.

The devotional readings and scriptures given every morning are prepared by the Devotional Committee.

Miss Lois Ladley, the advisor for Morning Watch, is a great help to all those participating in the activities of the organization.

The 1961 Silhouette

The production of the **SILHOUETTE** is a tremendous task to the staff and the advisors. During the summer the senior staff meets to plan the theme, organization, and cover of the book.

As an extra attraction this year, the junior staff produced a record entitled "61 Shades of Norwood High." The record was a complete journal in sound of this year's outstanding events.

The **SILHOUETTE** photographers are accredited for doing one of the biggest jobs on the annual—that of taking most of the activity pictures.

The junior staff plans the various money-making projects of the year. One of their important jobs is to give the annual **SILHOUETTE** Dance, where the "Best-All-Round Seniors" are chosen.

At the close of each year, the new **SILHOUETTE** staff is chosen by the advisor, Miss Smith.

Miss Morrison is the advisor of the business and advertising staffs.

French Club, though often thought to be quite serious-minded, has its share of fun. All money going into French Club's treasury is used for the support of two needy children in France. No money is used for French Club functions. Bethy and Gerrard, the two children, receive packages four times yearly containing food, clothing, medicine, and necessities which their parents cannot provide. Tax stamps, bake sales, and the stationery sale have provided funds while the annual Mardi Gras Dance completes the money raising drive.

Miss Miller's classes hold a contest to see which class will bring in the most stamps. Each student pays ten cents a month dues which result in one dollar per year.

Pen pals, provided through an agency, help members to use their knowledge of French and to learn ideas and customs of French teen-agers.

Happy birthday! The Roman civilization this year is approximately three thousand years old. Each year students renew the Roman tradition by studying Latin and taking an active part in Latin Club. The Latin Clubs were organized in 1936 by Miss Carolyn Beavers. The purposes of the clubs are to promote fellowship, to help the students understand Roman traditions, and to recognize significant Roman contributions to the English language.

Activity is a byword for the energetic members of Latin Club. Bake sales, always a success, help raise money to sponsor the annual dance. This year the dance was called the "Roman Saturnalia Dance." Planned features included minstrels, clowns, a prestigitator, a snake charmer, and a wrestling match. The students' choice for Queen of Beauty was presented with the traditional golden apple and a memento of the occasion.

Members of Latin Club may also join Junior Classical League, a national organization of students studying the classical languages. Each new member receives a membership card and pin for a nominal charge. An annual convention draws representatives from all over the country. Recognizing the need for an incentive to spur students who excel in every phase of Latin, the Junior Classical League offers a silver key award to the outstanding Latin students in each year of study.

Mrs. Scully spends her busy year enlightening the first-year students to the beauty of the Latin language, while the second-year students advance to studies of literature. Thus the students, with their common interests, make the Latin Clubs responsible, active organizations within the school's framework.

"El Camino Real." In English this means "the royal road." Spanish is the royal road to the heart of our southern neighbors.

Students taking Spanish find themselves becoming more understanding of the Spanish-speaking people. They lose their false impressions and gain true and lasting ones.

Since Spanish Club's main purpose is to bring our two peoples closer together, history and customs are frequently discussed in its meetings. Spanish Club arranges correspondence between Latin American and Norwood boys and girls.

Each year Spanish Club plans a Christmas party, which includes exchanging gifts with other members and playing games. Caroling in the halls with the other language clubs is another annual treat for the Spanish students. As the boys and girls walk from homeroom to homeroom, they entertain Norwood students by singing familiar Christmas songs in Spanish. As a main project, the club sometimes presents a play.

Spanish II

An annual trip downtown to the Spanish Inn is a long-awaited treat for the club members. There they are able to eat Spanish food and speak the language—as well as possible—with the waiters.

Mr. Wilson, advisor to Spanish Club, knows much about Latin America, because he has traveled extensively among the various countries. April 14 marks a very important date in Mr. Wilson's calendar. This date is usually reserved for Pan American Day. An assembly is held for the entire student body to illustrate, through a Latin American speaker, the full meaning and origin of Pan American Day.

Throughout the entire year Spanish Club gives its members an enjoyable and educational time.

Candlelight membership welcomes junior and senior girls into Alpha Chi. At the service, new and old members are introduced to one another.

Alpha Chi does various projects for the community and for themselves. They give Christmas services, have potato chip sales, visit Hillcrest School, and hold many dances to help support the club.

The World Fellowship is another project that raises money for the Y's abroad. At this affair the speaker tells of the Y in other countries.

Most of the girls spend a week-end at Camp Lenmary to teach the officers more about leading a club.

As a high point of the year, Alpha Chi invites the mothers to a dinner, the Mother-Daughter Banquet.

All ends in work and fun!

Beta Chi

Another effective candlelight service is given to freshmen and sophomore girls when they are admitted into Beta Chi.

Although the activities for these girls are not as full as Alpha Chi, their time is taken up by dances, talent shows, suppers, and special speakers.

This year a Moslem speaker gave a special speech on boy-girl relations.

Another unusual, but helpful-to-the-community project, was a talent show given for a group of girls from a children's home.

This year Beta Chi sponsored a dance to honor the basketball players. The dance was given the name Dribble Drag.

Other effective activities for the girls are the Christmas services, potato chip sales, the Mother and Daughter Banquets, the Recognition service, and the spring week ends at Camp Lenmary.

Well-balanced programs, which include sports, guest speakers, and social and community service events, are planned by the cabinet. The boys compete in athletic events and sponsor an annual Christmas Dance, at which their Queen is crowned. This year's queen, Sandy Hipkins, will automatically become the club's candidate for all-royalty in 1961.

Every fall and spring new members are received into the fellowship of the Hi-Y. Each new member pledges himself to the Hi-Y purpose, "To create, maintain, and extend throughout the home, school, and community, high standards of Christian character."

"In Spirit Always Together" is the club motto.

"Ask and it shall be given, Seek and ye shall find, Knock and it shall be opened unto you" is the motto of Alpha Sigma Kappa.

Alpha Sigma Kappa, under the direction of Frank Kurtz, meets every Wednesday evening at the YMCA. This Hi-Y group is composed of high school boys, all of whom must maintain satisfactory grades. New members are admitted to the club twice a year.

The boys' time is filled with service projects such as presenting a Thanksgiving program at Drake Memorial Hospital and decorating Christmas trees for a children's home in December. Sports participation completes the active Alpha Sigma Kappa program.

This club enables a boy to enjoy Christian fellowship and service and is another example of the wide variety of organizations at Norwood High School.

Delegates elected from the Y-Teen Clubs, Beta Chi and Alpha Chi, and the two Hi-Y Clubs, Sigma Alpha Tau and Alpha Sigma Kappa, constitute the Hi-Y Teen Council.

Every year the Hi-Y Teen Council sponsors a Christmas Caroling Party for the members of the four clubs. The caroling at Victory Park is preceded by a worship service at the Y. Afterwards the carolers return to the Y to have refreshments and to dance.

The council also plans and participates in Norwood's annual Easter program for the student body.

Under the direction of Mrs. Jackie Kwaliek and Mr. Bob Gardner, the active organization has a worthwhile and fun-filled year.

Machine Shop

In the machine shop, operated by Mr. Paul Barney and a shop foreman, the boys learn to develop their skills in the machine trades.

After instruction from Mr. Barney and the foreman on how to use the machinery, the boys begin to produce parts. This year the boys produced and sold square beam vices.

Responsibility and experience are learned in cleaning the shop and caring for the tools. The boys visit industries throughout the year learning to conduct themselves and the work they do according to the standards set down by industry.

The instructor, Mr. Barney, usually finds jobs for the seniors by the end of the school year. They leave well-prepared because of the practical experience they receive in machine shop.

Have you ever considered the number of movies that we see each year? Such movies would be an impossibility without the boys in Projectionists Club. Under the supervision of Mr. Gaeb, these boys learn how to operate technical equipment.

New members are inducted on the merit of scholarship and service. At the end of the school year, the boys are honored with a dinner.

Each year two members of Projectionists Club are chosen as disc jockeys to play music in the cafeteria during the noon hour.

Since the boys give up many study halls to show films, it is required that each member retain a satisfactory grade average. Becoming a member of Projectionists Club is a worthwhile achievement for any high school boy.

N-Club is an organization to benefit the athletes of Norwood High School. Its purpose is to promote good sportsmanship and fair play. To become a member a boy must have earned a freshman numeral, a reserve letter or a varsity letter.

N-Club meets every other Monday night in the N-Club room for business and recreation under the supervision of Mr. Anderson.

Initiation of new members is held after the conclusion of the football season.

Money-making projects include selling programs during the football and basketball games.

The annual N-Club dance is held in the winter. Here, a Varsity Vic and Campus Kate are elected and crowned by the president.

To conclude the year the N-Club gives a scholarship to a deserving member.

A striking fanfare! Then "the 1960 edition of the Norwood High School Marching Band" enters the field and performs for the cheering crowd. The band entertains during half-time at every home football game.

Strutting out in front of the band this year were major-ettes: Sandy Woeste—captain, Janet Brackett, Jeanne Eden, Merry Baker, Sandy Hipkins, Chris Parks, Shirley Cook, and alternate Sandy Baird.

The 48 members of the band practice first bell every morning under the direction of Mr. J. R. Phillips. Mr. Saumenig, assistant director, also instructs in the grade schools.

Representatives from each section of the band make up the pep band, which plays at pep rallies and one basketball game.

After the Christmas vacation the band begins work on the annual Spring Band Concert.

When the football games are over and the marching season has ended, Mr. Phillips, band director, carefully chooses Norwood High School's Orchestra. To qualify, a person must be in the band and must have an above-average musical talent and tone quality. Eighteen musicians are selected. Rehearsals are held in Room 1 each week and alternate with band rehearsals.

The audiences of the Senior Class Play, Drama Class Play, and other special programs are entertained by the Orchestra. Usually the music of popular writers is featured.

After the Spring Band Concert, the high school Orchestra takes up some other activity—conducting, the study of acoustics, or another advanced study of music. These additional studies help to broaden the students' knowledge of the basics of music.

These words from the traditional "Battle Hymn of the Republic" put the final touches on the annual Spring Concert, the climax of a year's diligent work for the sixty choir members.

The organization, composed of selected voices from the glee clubs and directed by Miss Pearl E. Ewing, practices two mornings a week at 7:45 a.m.

Apollo, a small choir having 26 members, meets first period daily. The club, which sings a wide variety of songs, performs for various civic organizations as well as for the school's religious assemblies.

Every Wednesday after school, Norwood students can hear the lovely voices of the freshman, sophomore, junior, and senior girls in Theta Girls' Glee Club.

Each year the girls in Theta participate with the other glee clubs in the annual chocolate sale. "Chocolate captains" distribute the chocolate and superintend the collection of the money. At the end of this sale an award is given to the person selling the most bars of chocolate.

These busy girls also have to prepare for the Spring Concert. This is the biggest event of the year, because it gives the girls a chance to show what they have accomplished under the direction of Miss Pearl Ewing. In their beautiful multi-colored formals, the girls create a spectacular opening for the show.

Boys' Glee Club

Meeting every Monday and Tuesday morning from 7:45 to 8:15 is Norwood's Omicron Boys' Glee Club. Under the direction of Miss Pearl Ewing and, during the first term, Miami University student teacher, Bob Mueller, Omicron members learned to hold their parts and sing well with confidence.

Omicron's repertoire includes over seventy-five numbers ranging from religious to the most modern pieces. After adding twenty-two new freshmen to the Glee Club, the boys were able to tackle more difficult songs.

Omicron's biggest event is the Spring Concert which includes all the choral groups. For many years Omicron has been outstanding in the Concert, because there are so few male high school glee clubs.

They also participate in the Chocolate Sale sponsored by the choral groups.

Sparks are flying as the boys in the Electricity Club get together. An interest in electrical equipment and how it runs is common among the members of this club.

Providing services each year for the school and students, the boys in Electricity Club arrange the wiring of the disc jockey stands, the public address for football games, and the wiring of decorations at Christmas time. This year a new Christmas tree, formed completely of electrical lights by Electricity Club, ornamented the front of the Technical Building.

Annual field trips add variety to the busy life of Electricity Club members and give them a chance to learn more practical applications of their technical interests and skills.

"Busy" is the adjective which best describes the girls of Norwood High School's Cosmetology Club. Throughout the school year these girls give their time, talent, and skill to help other people. The girls visit the Drake Memorial Hospital, where they cut the hair of the patients. This year money from the sale of Christmas gifts was used to give a Christmas party for the Service League.

The girls not only work for charity, but they also gain valuable experience by practicing hair styling and manicuring on customers who pay a nominal fee.

The organization, under the expert supervision of Mrs. Tharp and Mrs. Wahlert, is composed of about thirty-five girls who elect Cosmetology for their junior year.

Distributive Co-Ops.

In Distributive Education, under the direction of Mr. Sheppard, the students learn how to satisfy the needs of the public in buying trends and services. Salesmanship is learned from daily experience in co-op jobs.

Display windows that decorate the third floor hall of the Technical Building are arranged by the students from material graciously loaned by local stores and feature fashions, organizations and products. Distributives also sponsor a dance and a candy sale.

Cuisine Club

The Cuisine Club is made up of boys interested in cooking and preparing meals. After long hours of studying and practicing how to prepare meals, they are given a chance to put their skills to good use by helping the school.

Every Tuesday and Thursday the boys are busy in the tea-room preparing meals. There they are able to show what they can do and accumulate a great deal of experience. Every Thanksgiving and Christmas, special dinners are prepared for the tearoom's guests.

Although cooking is their major interest, the boys also enjoy having picnics and going on trips to hotels. They go to the hotels to observe how the professional chefs prepare food.

The Cuisine Club also contributes money, which they have earned, to deserving organizations.

FOOTBALL CO-CAPTAINS—Terry Nieman, Steve Eads.

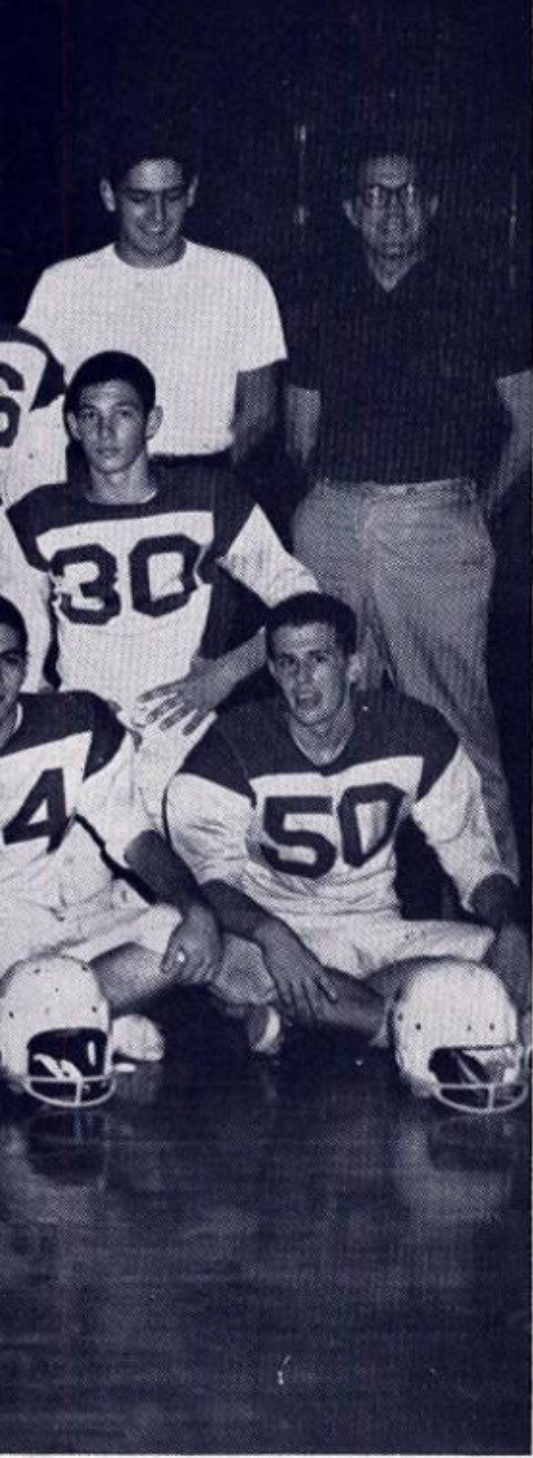

On August 19th, under 90 degree weather, our football squad, through the able coaching of Mr. Frank Sanderson, began an intensive and long season of tough opposition in the 1960 grid season.

A complete re-arrangement of positions, both in defense and offense, gave our squad a new look and added the hopes of a future Hamilton County League crown.

One of the season's highlights was the major upset over the previously undefeated Taylor Yellowjackets. Tying a hard fought battle with Walnut Hills, the squad suffered a humiliating defeat at the hands of Anderson, only to boost their morale and end the season with an outstanding game against Sycamore.

Although not having a very successful season the "battling" finished with a 3-6-1 record, which produced a line of outstanding seniors including: co-captains Terry Nieman and Steve Eads, Ed Briggeman, Joe Diedrich, Tom Reichardt, Ken Smith, and Tom Spurlock.

Varsity Basketball

Members of the 1961 Varsity Basketball squad started the season by outscoring their opponents nine points in their first five contests. Many of the games played were significant because they were moral victories. The Indians lost to Taylor by one point in an overtime encounter, lost to Princeton and Amelia by two points, and lost to Colerain by four points.

The Harrison game was most outstanding although we lost 73 to 61. Donny Parker scored 21 points for a season record. The team as a whole hit 82% from the free-throw line and 39% from the field.

Gary Munsie was voted the most improved player and led his teammates with 213 rebounds for the season.

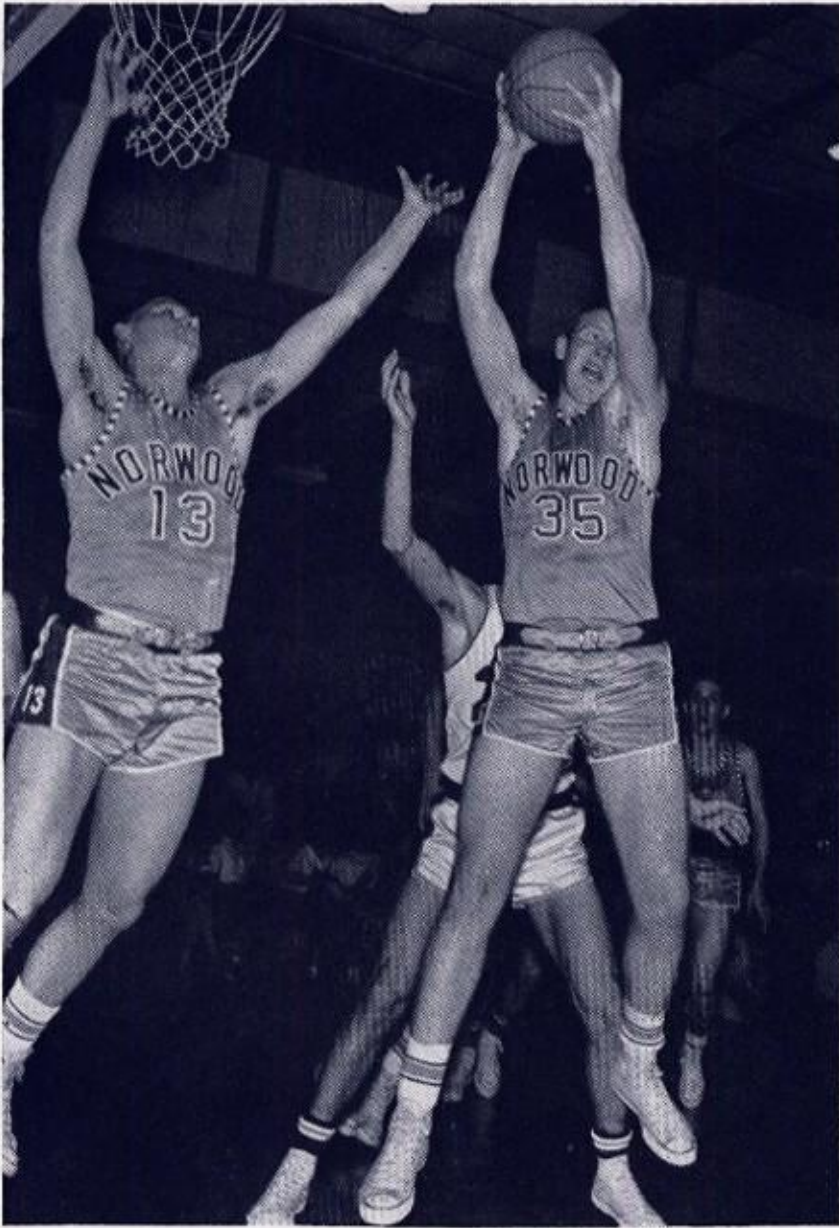

Led by tri-captains Charlie Cole, Gary Munsie, and Donny Parker, the team consistently gave their "all," possessing a true spirit and a will to win. The team finished with a seven and ten record.

The 1961 Reserves ended their season with seven wins and ten losses. Inexperience was the main handicap confronting them this year.

The squad was faced with many powerful enemies but always extended effort and spirit.

Two of the more outstanding games were against Oak Hills, won 48 to 33, and Princeton, lost 35 to 34. The team has great potential and should prove to be a big help in the coming years.

"Rebound, rebound! Hey! Hey!"

Freshman Football

The 1960 Freshman football team, coached by Mr. Anderson, finished its season with a 500 average of four wins and four losses. Their best game was a 14-12 win over Moeller, while they took their worst beating of 44-0 at the hands of Greenhills. Jack

Fenwick, end, Paul Allard, quarterback, and Bob Hollifield, halfback, were the outstanding members of the squad, promising a good team for the years to come.

The freshman basketball team had the most successful season in Norwood's history this year, winning 11 games and losing 2. Dick Bouldin led the team in the scoring column with a total of 118 points.

Teammates Paul Allard, Dick Bouldin, Jim Downs,

Jack Fenwick, and Bob Hollifield gave outstanding performances in the games played, bringing victory after victory to Norwood. This year's action has made Norwood's freshman basketball team the hope for the future.

With Sandy Henson as captain the Varsity cheerleaders were Beth Vaughan, Flo Franklin, Bonnie Chance, Carol Van Antwerp, and Linda Whitlock. They wore the traditional blue slacks and white jackets for football games and specially made red circular skirts and white sweaters with blue N's for basketball games. The Reserve cheerleaders were Judy Bayless, captain, Carolyn Hudson, Wanda Wilson, and Salli Zimmerman. The cheerleaders' aim is to promote school spirit and to encourage their team. Many times a cheerleader experiences sore muscles or a sore throat, but she will do anything for her team and school.

G. A. A. Board

The Girls' Athletic Association is a nationwide club for sports-minded girls. This year G.A.A.'s president was Sharon Howard. The G.A.A. board consists of the officers, the managers of each sport, and the class representatives. The manager of each sport

plans the activities for its participants. The well-planned sports program provides an opportunity to learn good sportsmanship and to improve the individual's abilities. Every year freshmen through seniors enjoy a wonderful time together with sports.

Row One: J. Blackburn, G. Suppe, S. Henson, S. Vandergriff. Row Two: P. Wysong, C. Helterbride, P. Popplewell, K. Ross, B. Edwards. Row Three: S. Zimmerman, J. Bayless, W. Godsey, K. Ostendarp.

Girls' Athletic Association is a year-round organization that welcomes all girls interested in sports. More commonly known as G.A.A., this group plans activities that begin in September and continue to the last day of school.

In September G.A.A. formally starts with Playday. This event, which is held on Friday, brings the girls together for fun and friendship. After school the girls change into their gym suits and participate in sports such as swimming, basketball, and volleyball. When the games are over, the girls sit down to relax and to talk over events of the day as they eat their supper. After the supper the girls attend the Indians' football game together.

When Playday is over, the seasonal sports begin.

Girls earn points by participating in hockey, swimming, hiking, bowling, archery, tennis, softball, modern dance, basketball, volleyball, and lifesaving. When a girl earns 100 points in one sport, she receives an emblem. If she then earns 500 points as a total, she receives a big "N."

G.A.A. also plays a part in the Girls' Week activities. In addition to awarding emblems and big "N"s during the awards assembly, the group sponsors the homeroom basketball tournament and the Posture Parade.

As everyone can see, G.A.A. not only stands for Girls' Athletic Association, but also Great Accomplishments Association.

Double congratulations for the chevrons for 200 extra points.

Strutting their oats!!

Ill's happy basketball champs

Three Happy Mermaids!!

Crash—One big STRIKE!

Tennis

Tennis is the popular sport of spring. Many girls troop to the courts on Park Avenue to enjoy a set or two. For participating in this sport the tennis manager gives each girl a point for each set she has played. If any problems arise that require help or explaining, the gym teachers are always there for consultation. After earning 100 points in this sport, the girl is awarded an emblem.

Whoops! Another bruised ankle reported after

Soccer

the start of a soccer game. This game, which replaced hockey, was a favorite fall sport among the G.A.A. members, even though a few shins were barked.

Girls learned the rules of soccer in gym class and then practiced them in the games played after school on the front lawn. Learning to replace the hockey stick with their feet to move the ball downfield was the girls' biggest problem in playing the game.

Zing! went the bow string.

Oh, my achin' feet.

Swimming

Side stroke, back stroke, front stroke! Any and all strokes are used by the girls who participate in the G.A.A. swims.

Besides having "just plain fun" at the free swims held after school, the girls also compete against each other in the inter-class swimming meet. This year the junior "Florence Chadwicks" won the event.

Girls participating in the swimming events receive points for attendance, for meet competition, and for swimming lengths.

Next the Davis Cup!

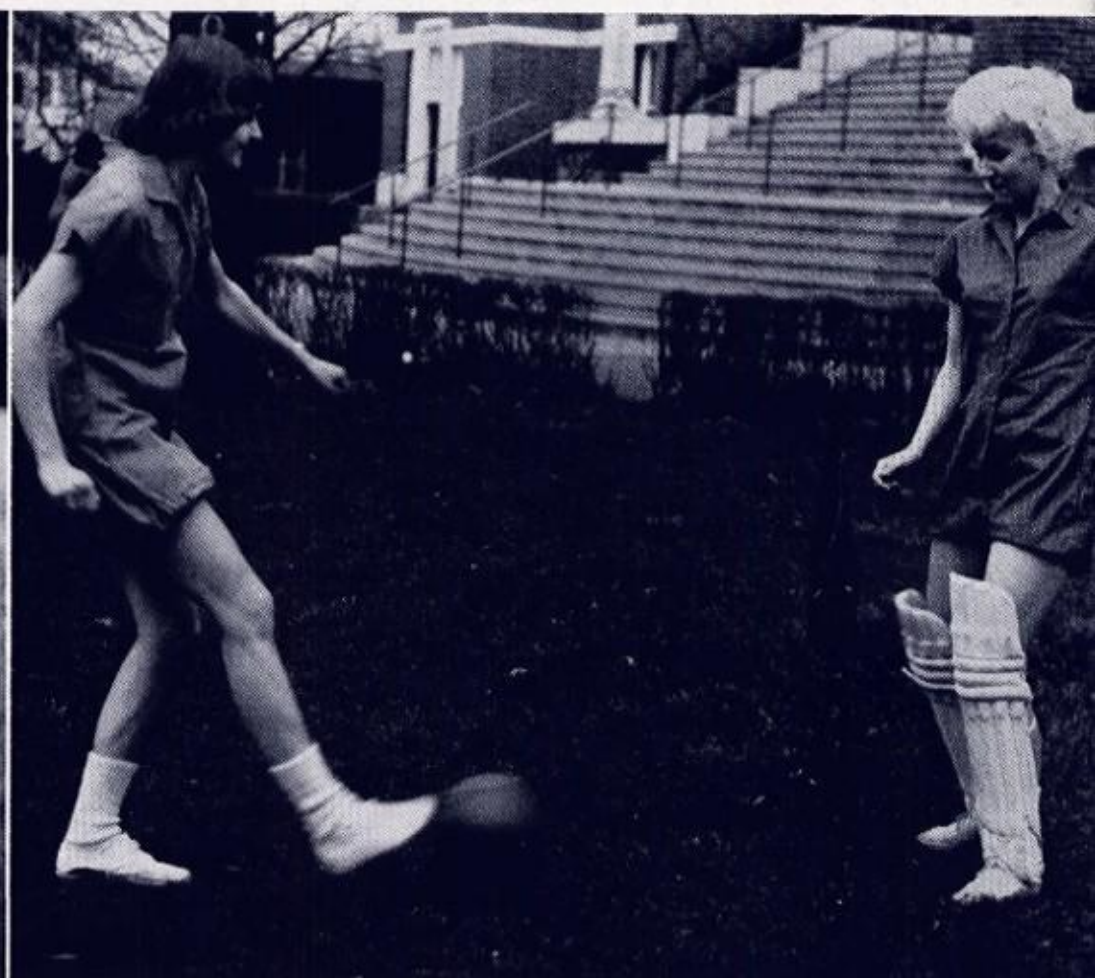

G. A. A. Bowling

Oops! There goes another gutter ball! This phrase is heard every Tuesday at Stacey's Bowling Alley when N.H.S. girls gather to bowl and have fun.

Each time a girl bowls, her score is recorded for G.A.A. points. At the end of the season, her average is taken as the number of points she has earned. If a girl bowls 150 or more, her name is placed on the bowling honor role.

Oh, no you don't!

Archery

Twang! Another arrow misses the target and lands in the bushes. Even though this incident may happen, most of the time the girls hit the target and score bull's-eyes.

The "Robin Hoods" of Norwood meet on the front lawn after school in the spring for practice.

When the girls come out and try for the bull's-eyes, they receive points for attendance and points according to the score that they make.

Hiking

Hiking anyone? Saturdays at 10:00 a.m. girls meet at the high school to begin their walks to various parts of Cincinnati.

After reaching their destination, they rest their "dogs" and eat their lunches which they have brought with them. When lunch is over exploration of the surroundings begins. Having explored the area, the girls gather again to make the march home. Hikers receive a point for each mile that they walk.

Softball

They are almost as good as the major leagues! Well, almost. Each spring along with every other red-blooded American, the girls of Norwood High begin their baseball games. The softball manager's job is to build the best hitters, the best catchers, and the best runners ever. When two teams have combined these talents, there is bound to be an exciting game. Look out, dear windows of Norwood! Every year the girls continue to have fun while matching their softball abilities.

Not under the net, over. OK?

Modern Dance

1-2-3-4; keep in step! Every movement precise. Don't loose your count. The girls of modern dance make up dances to interpret music. Each motion is set to represent a feeling or emotion. As the music plays, the girls run through their motions, and a beautiful story is told. Many hours are spent in learning to coordinate their bodies. Grace and poise are the important factors gained through modern dance.

Tow her in. She's sinkin' fast!

"N" Girls

One of the highest honors a girl can receive in sports is the big "N." For a girl to receive this coveted award she must have five hundred points to her credit. The five hundred points are earned by participating in the various G.A.A. activities. Because it takes such a long time and a lot of work to earn so many points, these girls deserve our hearty congratulations.

Basketball

"She moved her pivot foot. That means blue out of bounds." Girls who play G.A.A. basketball after school often hear this sports jargon as they participate.

After the girls have practiced in these after-school games, they may use their skills in the annual homeroom tournament held during Girl's Week. This year senior homeroom III used their skills best and won out over the others.

Crack!!!! It's another homer.

The graceful girls of G.A.A.

Volleyball

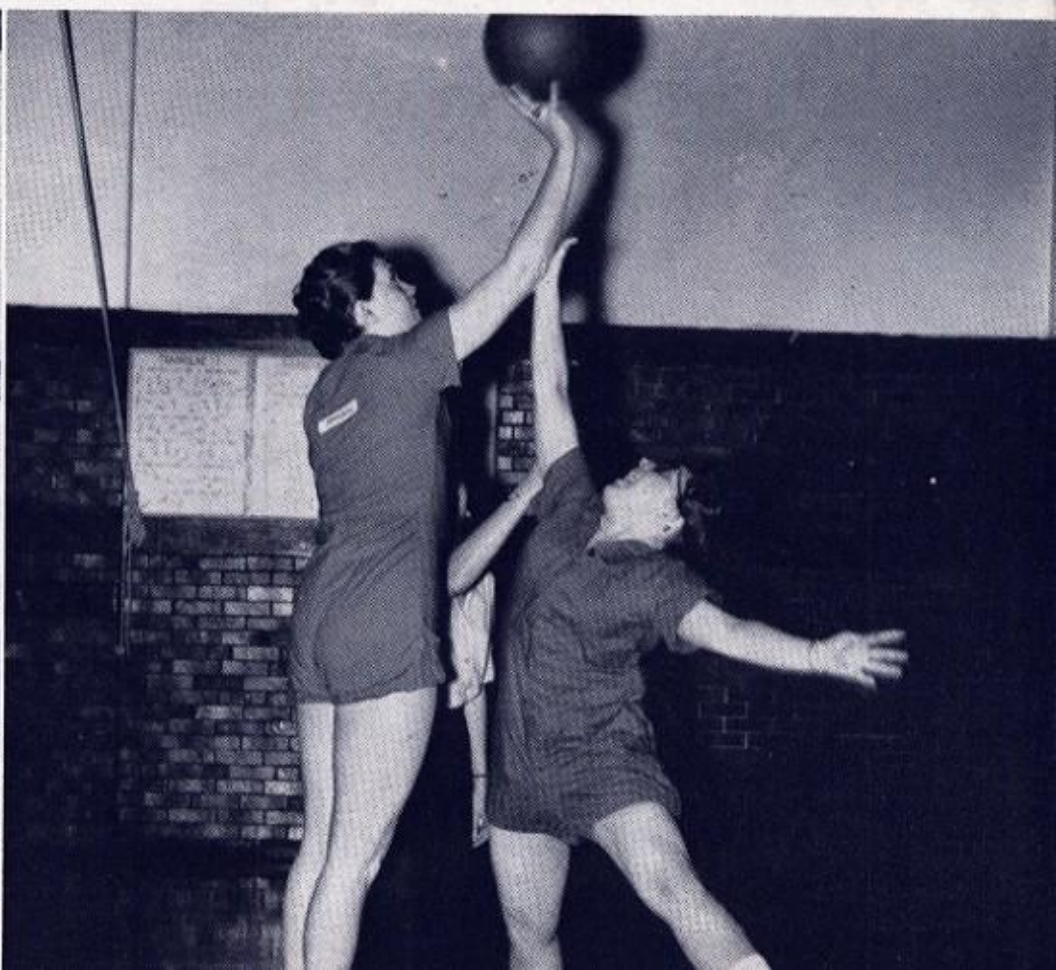

Volleyball is a game based on ability and team spirit. One may get a black eye or a pair of bruised hands, but it is a game that is lots of fun to play. During the volleyball season practice is held after school for girls who are interested, and a tournament concludes the season. Different teams enter to compete for the volleyball championship. Have fun! Try a game of volleyball.

Janie Blackburn; not pictured: Donna Ingram.

Life Saving

A very important activity sponsored by G.A.A. is Life Saving. Both Junior and Senior Life Saving are taught. Practical and useful knowledge is gained while participating in Life Saving. Classes are under the supervision of the gym teachers. The reading and lecture material is practiced during class. Included in the girls' training are the latest methods of artificial respiration. If basic Life Saving is learned, a life may be saved in the future.

The long and the short of it.

"Well who does she think she is!"

Closing

A year ago we bravely started forth
 Upon a venture of the greatest worth.
 A training session, trip to Tennessee
 Prepared us for the task which was to be.
 A joyous task it was, though hard to do,
 And we worked late to see our labor through.
 With pictures and with words we thought we'd try
 To draw a sketch of life at Norwood High.
 To you we now present your yearbook done,
 The **SILHOUETTE** of nineteen sixty-one.
